

# 校園設置體溫量測儀器(安心量)位置

## 一、 校園四大入口安裝位置

地點	實際圖
警衛室	 <p>The top photograph shows a non-contact temperature measurement device mounted on a black stand. The device is white and black, with a lens pointing towards the entrance. In the background, there is a large map of Hsinchu University of Science and Technology (弘光科技大學 校區平面圖) on a wall. The map includes a legend with various buildings and facilities. A red circle highlights the device. To the left of the device, there is a blue fan and a white table with some items on it. A person wearing a high-visibility vest is partially visible on the right side of the frame.</p> <p>The bottom photograph shows two non-contact temperature measurement devices mounted on a display rack. The rack is made of metal and has several informational posters on it. One poster is titled '弘光真摯 共同守護校園健康' (Hsinchu University of Science and Technology's sincere commitment to jointly protecting campus health). A red circle highlights each device. In the foreground, there is a white sign with red text that reads '請停車換證' (Please stop and exchange license) and a red car icon. Below the sign, it says '弘光科技大學 HINSING UNIVERSITY'. To the left of the rack, there is an orange traffic cone. The background shows the entrance of the security room with glass doors and windows.</p>
